Did you know we do Wheel Alignments???

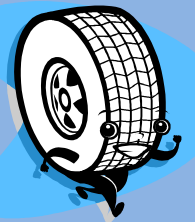

Do you remember the last time you had an Alignment?

Does your vehicle pull left or right?

Is your Steering wheel off center?

Are your tires wearing unevenly?

Is your gas mileage not what it use to be?

4 Wheel Alignment Service

Price \$59.99* only with this coupon!

Includes the following:

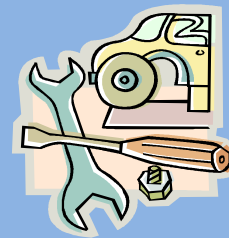

Check Steering and suspension

Rotate all 4 tires, torque wheels to spec.

Inspect brakes

Adjust tire pressures

Adjust wheel alignment to spec.

*NOTE: Addition cost for frozen adjusters, shims, adjustment cams, ETC.

Mike's Auto Service has recently invested in a brand new state of the art 4 wheel alignment system!!!

Our alignment system is updated to 2011 model year! We can perform alignments on just about any vehicle out there. We also have adaptors that we can use that attach to the tires and not the wheels!!

No worries about scratching expensive alloy wheels when mounting the wheel cameras!
